INDEX OF AUTHORS.

PAGE

Adie, W. J., and Ironside, R.
A case of myotonia occurring in a male aged 62 146

Barnes, S., and Hurst, E. W.
Hepato-lenticular degeneration 279

Barnes, S.
Combined degeneration of the spinal cord 270

Birley, J. L.
A case of dystrophia myotonica 139

Birley, J. L.
Two sisters from a family affected with dystrophia myotonica 137

Brain, W. R.
A clinical study of increased intracranial pressure in sixty cases of cerebral tumour 105

Campora, G.
Astereognosis: Its causes and mechanism 65

Cloake, P.
Quadriplegia, showing well-marked postural tonus 144

Collier, J.
Case of paraplegia in scoliosis 133

Collier, J.
Combined degeneration of the spinal cord 269

Collier, J.
See-saw movements of eyelids 146

Critchley, M.
A case of post-encephalitic respiratory disorder.. 132

Critchley, M.
Case of post-encephalitic contractures and paroxysmal tachypnœa 142

Critchley, M.
Case of post-encephalitic myoclonus and tachypnœa 141

Critchley, M., and Turner, W. A.
Respiratory disorders in epidemic encephalitis 72

PAGE

Critchley, M., and Kubik, C. S.
The mechanisms of speech and deglutition in progressive bulbar palsy 492

Dickson, W. E. C.
Neuro-fibroma of auditory nerve 136

Dickson, W. E. C.
Myxo-chondroma of base of skull 134

Dickson, W. E. C.
Hæmangeioma of the mid-brain 136

Dundas-Grant, Sir James.
A case of syringo-bulbo-myelia with unilateral nerve-deafness and immobility of the opposite vocal cord 126

Ellis, A. W. M.
Combined degeneration of the spinal cord 270

Florey, H.
Microscopical observations on the circulation of the blood in the cerebral cortex .. 43

Frazier, C. H., and Whitehead, E.
The morphology of the Gasserian ganglion 458

Garven, H. S. D.
The nerve-endings in the panniculus carnosus of the hedgehog, with special reference to the sympathetic innervation of striated muscle.. 380

Greenfield, J. G., and Holmes, Gordon.
The histology of juvenile amaurotic idiocy 183

Herman, W.
The relations of the corpus striatum and the pallium in varanus, and a discussion of their bearing on birds, mammals and man 362

Holmes, Gordon, and Greenfield, J. G.
The histology of juvenile amaurotic idiocy 183

Howell, C. M. H.
Case of upper brachial plexus root lesion 148

Howell, C. M. H.
Two cases of disseminated sclerosis with acute posterior column lesions 147

Hunter, W.
Combined degeneration of the spinal cord 269

Hurst, A. F.
The ætiology and treatment of subacute combined degeneration 268

Hurst, A. F.
The pathogenesis of subacute combined degeneration of the spinal cord with special reference to its connection with Addison's (pernicious) anæmia, achlorhydria and intestinal infection 218

Hurst, E. W.
A study of lipoids in neuronic degeneration and in amaurotic family idiocy .. 1

Hurst, E. W., and Barnes, S.
Hepato-lenticular degeneration 279

Ironside, R.
Case of peroneal muscular atrophy with pseudohypertrophy and atrophic sterno-mastoids 142

Ironside, R.
Case of muscular dystrophy with pyramidal signs 134

PAGE

Ironside, R.
Myopathy of unusual distribution 131

Ironside, R., and Adie, W. J.
A case of myotonia occurring in a male, aged 62 (with cinematograph demonstration) 146

Jones, I. H., and Spiller, W. G.
The central tracts of the nervus vestibularis 334

Knott, F. A.
Combined degeneration of the spinal cord 269

Krabbe, K. H.
Varicella-myelitis 535

Kubik, C. S., and Critchley, M.
The mechanisms of speech and deglutition in progressive bulbar palsy 492

McAlpine, D.
Hypopituitarism with retinitis pigmentosa and polydactylism 140

MacBride, H. J.
Case of facial hemiatrophy 133

MacBride, H. J.
Combined degeneration of the spinal cord 268

Martin, J. P.
Amyotrophic meningo-myelitis 153

Martin, J. P.
A case of facial hemiatrophy with lack of development of the breast on the same side 140

Martin, J. P.
A variant of Charcot-Marie Tooth disease 141

Palthe, P. M. van Wulfften.
A peculiar reflex phenomenon 476

Pereira, J. R.
Physiological studies on the patellar reflex 255

Reynell, W. R.
Case of chorea with no improvement after eighteen months' treatment 132

Sargent, P.
Hæmangeioma of the pia mater, causing compression paraplegia 259

Scripture, E. W.
Cases of epilepsy, general paralysis and disseminated sclerosis, to illustrate speech defects 130

Sittig, O.
A clinical study of sensory Jacksonian fits 233

Spiller, W. G., and Jones, I. H.
The central tracts of the nervus vestibularis 334

Symonds, C. P.
A case of epileptiform seizures 143

Thomson, H. C.
The work of Sir Charles Bell in relation to modern neurology 449

Turner, W. A., and Critchley, M.
Respiratory disorders in epidemic encephalitis 72

Whitehead, E., and Frazier, C. H.
The morphology of the Gasserian ganglion 458

Wilson, S. A. K. PAGE
Progressive lenticular degeneration 145
Wilson, S. A. K.
Tremor. ? nature 146
Wilson, S. A. K.
Epilepsy partialis continua 145
Wilson, S. A. K.
Senile chorea 145
Worster-Drought, C.
An unusual case of myopathy 129
Worster-Drought, C.
A case of dyspituitarism following encephalitis lethargica 127
Worster-Drought, C.
Congenital bilateral athetosis 128
Worster-Drought, C.
Syringo-bulbo-myelia 126
Wyllie, W. G.
Case of myoclonus epilepticus 141
Yealland, L.
Case of syringomyelia. (Morvan's type) 131

INDEX OF SUBJECTS.

Amaurotic family idiocy, a study of the lipoids in neuronic degeneration, and in. E. W. Hurst 1
Amaurotic idiocy, the histology of juvenile. J. G. Greenfield and Gordon Holmes .. 183
Anæmia, the pathogenesis of subacute combined degeneration of the spinal cord, with special reference to its connection with Addison's (pernicious) anæmia. A. F. Hurst 218
Astereognosis, its cause and mechanism. G. Campora 65
Athetosis, congenital bilateral. C. Worster-Drought 128
Brachial plexus, case of upper root lesion of the. C. M. H. Howell 148
Bulbar palsy, the mechanisms of speech and deglutition in progressive. M. Critchley and C. S. Kubik 492
Charcot-Marie Tooth Disease, a variant of. J. P. Martin 141
Chorea, senile. S. A. K. Wilson 145
Chorea, case of, with no improvement after eighteen months' treatment. W. R. Reynell 132
Circulation of the blood, microscopical observation on the, in the cerebral cortex. H. Florey 43
Combined degeneration, the ætiology and treatment of subacute combined degeneration of the spinal cord. A. F. Hurst 268
Combined degeneration, the pathogenesis of subacute, of the spinal cord, with special reference to its connection with Addison's (pernicious) anæmia, achlorhydria and intestinal infection. A. F. Hurst 218
Corpus striatum, the relations of the corpus striatum and the pallium in varanus, and a discussion of their bearing on birds, mammals and man. W. Herman .. 362

PAGE

Cortex, cerebral, microscopical observations on the circulation of the blood in the. H. Florey 43
Deglutition, the mechanisms of speech and, in progressive bulbar palsy. M. Critchley and C. S. Kubik 492
Disseminated sclerosis, cases of epilepsy, general paralysis and, to illustrate speech defects. E. W. Scripture 130
Disseminated sclerosis, two cases of, with acute posterior column lesions. C. M. H. Howell 147
Dyspituitarism, a case of, following encephalitis lethargica. C. Worster-Drought .. 127
Dystrophia myotonica, a case of. J. L. Birley 139
Dystrophia myotonica, two sisters from a family affected with. J. L. Birley .. 137
Dystrophy, case of muscular, with pyramidal signs. R. Ironside 134
Encephalitis, lethargica, a case of dyspituitarism following. C. Worster-Drought .. 127
Encephalitis, epidemic, case of post-encephalitic myoclonus and tachypnœa. M. Critchley 141
Encephalitis, epidemic, a case of post-encephalitic respiratory disorder. M. Critchley 132
Encephalitis, epidemic, respiratory disorders in. W. A. Turner and M. Critchley .. 72
Encephalitis, epidemic, case of post-encephalitic contractures and paroxysmal tachypnœa. M. Critchley 142
Epilepsy, case of, general paralysis and disseminated sclerosis to illustrate speech defects. E. W. Scripture 130
Epilepsy partialis continua. S. A. K. Wilson 145
Epileptiform seizures, a case of. C. P. Symonds 143
Eyelids, see-saw movements of. J. Collier 146
Facial hemiatrophy, a case of, with lack of development of the breast on the same side. J. P. Martin 140
Facial hemiatrophy, case of. H. J. MacBride 133
Fits, a clinical study of sensory Jacksonian. O. Sittig 233
Gasserian ganglion, the morphology of the. C. H. Frazier and E. Whitehead .. 458
General paralysis, cases of epilepsy and disseminated sclerosis to illustrate speech defects. E. W. Scripture 130
Hæmangeioma of the mid-brain. W. E. C. Dickson 136
Hæmangeioma of the pia mater causing compression paraplegia. P. Sargent .. 259
Hepato-lenticular degeneration. S. Barnes and E. W. Hurst 279
Hypopituitarism with retinitis pigmentosa and polydactylism. D. McAlpine .. 140
Intracranial pressure, a clinical study of increased, in sixty cases of cerebral tumour. W. R. Brain 105
Lipoids, a study of the, in neuronic degeneration and in amaurotic family idiocy. E. W. Hurst 1
Meningo-myelitis, amyotrophic. J. P. Martin 153
Myoclonus, case of post-encephalitic myoclonus and tachypnœa. M. Critchley .. 141
Myoclonus epilepticus, case of. W. G. Wyllie 141
Myopathy of unusual distribution. R. Ironside 134
Myopathy, an unusual case of. C. Worster-Drought 129
Myotonia, a case of, occurring in a male aged 62. R. Ironside and W. J. Adie .. 146
